Texas Lien Laws
What are they?
What impact will it have?
How can I protect my company?

Our speakers are attorneys Thomas J. Walthall, Jr. and Bethany F. Beck of the Gardner Law Firm. Their point counterpoint dialogue and role-playing adds excitement to the discussion and improves understanding and retention of the material. They are considered to be experts in the field of perfecting bond and lien claims in the State of Texas and are frequent speakers at meetings and trade group seminars on construction issues. A new manual will be provided which reflects all the lien law changes. Come join us for this “must” seminar for the credit staff of companies supplying the construction industry.
